Hi Unit Owners:

Please advise whether the date/time below is doable.

We would like to inspect on Friday afternoon, 12/4/15; the adjuster, Mr. Siegel, would arrive at the building some time between 2:00 pm and 4:00 pm. Would you be able to arrange access to all of the affected apartments or should I contact the doorman, Nana, who is scheduled to work on Friday afternoon? Also, could you please provide a list of **all** the affected apartments that Mr. Siegel would have to inspect. Thanks.

Cordially,  
Debbie
